The Idaho Forest Practices Act Advisory Committee (FPAAC) will meet at the Spokane Airport Ramada on Tuesday, April 27, 2010. The meeting will begin at 8:50 a.m. in the Ramada conference room, located at 8909 West Airport Drive, Spokane, Washington.

The agenda includes highlights of the [2009 Forest Practices Year-End Report](#) and an overview of the IDL internal Forest Practices audit that was carried out during the summer of 2009. Other agenda topics include an overview of the 2009 Cumulative Watershed Effects Report and a progress report on the IDL stream modeling project. The meeting will also include discussions on the progress of the Idaho Forestry Program and recent findings being considered by the FPAAC Shade Subcommittee regarding riparian management areas.

The public is invited to this meeting; an RSVP is required for any person wishing to attend. For further information, or to RSVP, contact Ara Andrea at the Idaho Department of Lands Office in Coeur d'Alene, at (208) 769-1525 or [aandrea@idl.idaho.gov](mailto:aandrea@idl.idaho.gov).
